APPOINTMENT OF MISS C. PALMER AUSTIN AS LADY APOTHECARY
IN THE MYSORE MEDICAL SERVICE.

In May last the Senior Surgeon recommended the appointment of one Miss C. Palmer Austin, a qualified apothecary of the Madras Medical College, as Lady Apothecary on Rs. 95/- in grade 75-5-200 (with the usual sex allowance of Rs. 30) on a year's probation and subject to an agreement binding her to 3 years' service. But the proposal was not sanctioned as Miss Austin is not a Medical Graduate and is besides advanced in age being 38 years old. The Senior Surgeon has requested a re-consideration of his recommendation on the ground that it is extremely difficult to secure a lady medical graduate on the salary we are able to give and that two female dispensaries have been closed for want of Lady Apothecaries or Sub Assistant Surgeons.

Under the circumstances now reported by the Senior Surgeon it is proposed, with the concurrence of the Dewan and the other Members of Council, to sanction his recommendation as an exceptional case.

The proposal may be graciously approved.

SIR,

With reference to your letter No.L.650-Med.36-21-39 of the 22nd instant, I have the honour to point out that it is extremely difficult to secure the services of Lady Medical Graduates for the meagre salary we are able to offer them. Even those, who were offered a pay of Rs.200-300 etc., would not accept the appointment as they were able to get a much higher pay elsewhere. Under the pressing circumstances, I am placed in, at present, I was reluctantly obliged to recommend Miss.C.Palmer Austin to a vacancy in the Lady Apothecaries grade. We must be thankful, at present, even for this class of Lady Medicos who seek service in our Department. At present, 2 female dispensaries have been closed for the want of lady Apothecaries for Sub Assistant Surgeons. In the course of one year or two, more vacancies are likely to occur by the retirement of some superannuated Lady Apothecaries. If the Government are unable to sanction the entertainment of Miss.Austin on the ground that she is not a Graduate, I am afraid, I shall have to close the two female dispensaries indefinitely. With regard to the training of women at Bombay and Madras
